Re: Administrative Order on Consent,
Docket No. CWA-08-2002-33

Dear Sirs:

On September 25, 2002, the U.S. Environmental Protection Agency (EPA), the City of Fort Lupton, and OMI, Inc. entered into an Order for Compliance on Consent (Order), Docket Number CWA-08-2002-33. This Order required Fort Lupton and OMI, Inc. to comply with the provisions of 40 C.F.R. § 503 and 33.U.S.C. § 1345. Specifically, the Order required that Fort Lupton and OMI, Inc. address the sewage sludge stored at the Fort Lupton wastewater treatment plant, develop an overall sewage sludge management plan and submit a Notice of Intent (NOI) to be covered under the EPA general biosolids permit.

Fort Lupton and OMI, Inc. have complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2002-33) is considered closed as of the date of this letter.

If you have any questions, the most knowledgeable person on my staff regarding this letter is Darcy O'Connor, Technical Enforcement Program, who can be reached at (303) 312-6392.

Sincerely,
